

Animal Health Certificate Price Comparison

Providers near LeShuttle and the Port of Dover | To get the most up to date version please go to ukpetpassport.com/folkestonedovervets

Animal Health Certificate prices vary substantially, particularly when more than one pet is travelling. This guide compares the six providers listed on the veterinary-services leaflet supplied at LeShuttle Pet Reception, plus Euro Pets Folkestone as a nearby published-price alternative. It covers first applications, multi-pet charges, repeat-trip discounts, urgent services and collection arrangements.

Headline for two pets: Euro Pets publishes the lowest standard price at £120, followed by Easy Pet Travel at £124 and Abbeywell/AHC Online at £130. For an eligible repeat trip, Easy Pet Travel is £94; Abbeywell and Euro Pets are £95.

1. Standard and multi-pet pricing

The figures below are the providers' current published prices. Where a practice does not disclose its multi-pet calculation, the table says so. One AHC can normally list up to five pets travelling together, but each provider sets its own fee structure.

Provider	1 pet	2 pets	3 pets	4 pets	5 pets	Extra-pet basis	Standard notice
Euro Pets Folkestone*	£95	£120	£145	£170	£195	£25 each	More than 3 days
Easy Pet Travel	£99	£124	£149	£174	£199	£25 each	Supporting documents at least 3 days before travel
Abbeywell / AHC Online	£95	£130	£165	£200	£235	£35 each	At least 10 days
White Cliffs Vets	£153	Not stated	Not stated	Not stated	Not stated	Not published	Not published

Hawkinge Veterinary Surgery	Quote	Quote	Quote	Quote	Quote	Not published	Not published
Hythe Vet Centre	Quote	Quote	Quote	Quote	Quote	Not published	Not published

* Euro Pets is not included on the LeShuttle leaflet, but advertises a location approximately seven minutes from the terminal.

What the unpublished figures mean

White Cliffs and Manor publish a single AHC fee but do not explain whether it is charged per certificate or per pet. Hawkinge and Hythe confirm that they provide AHCs but publish no AHC price at all. Those amounts therefore require a direct quote for the exact total covering two cats.

Health-plan discounts

Practice	Full price	Pet Health Club Plus	Pet Health Club Essentials	Multi-pet information
White Cliffs	£153	£122.40 (20% off)	£137.70 (10% off)	Not published
Manor	£251	£200.80 (20% off)	£225.90 (10% off)	Not published

These discounts are relevant only to eligible members of the respective practice's Pet Health Club.

2. Repeat-trip and reprint pricing

Specialist AHC providers reduce the price when they issued the earlier certificate and the stored information remains unchanged. A change of owner, pet, address, entry language or rabies evidence can remove eligibility or alter the discount.

Provider	Eligibility	1 pet	2 pets	3 pets	4 pets	5 pets
Abbeywell / AHC Online	Previous AHC issued by Abbeywell; every detail unchanged; at least 10 days' notice	£65	£95	£125	£155	£185
Easy Pet Travel	Previous AHC issued by Easy Pet Travel; owner, pets, address, vaccination and EU-entry country unchanged; request at least 7 days before travel	£69	£94	£119	£144	£169
Euro Pets Folkestone	Previous AHC issued by Euro Pets; exactly the same details; more than 3 days' notice	£70	£95	£120	£145	£170
Euro Pets, changed details	Existing customer, but name, pets, language, address or rabies evidence changed	10% off	10% off	10% off	10% off	10% off

Urgent reprint	Same day to 4 days	£165	£195	£225	£255	£285

Repeat-trip conclusion

For two unchanged pets, the published repeat prices are almost identical: Easy Pet Travel is £94, while Abbeywell and Euro Pets are £95. Notice period and collection convenience may matter more than the £1 difference.

2. Is the fee per certificate, per owner or per pet?
3. Is a consultation or examination charged separately?
4. Do you accept pets that are not registered patients?
5. Is there a discount for a later AHC using unchanged details?
6. What notice is required, and what urgent surcharge applies?
